

# CORVITE® FE IRON SUPPLEMENTATION

## PRESCRIBING INFORMATION

### Supplement Facts

Serving Size: 1 Tablet  
Servings per Bottle: 30

Each tablet contains:		% DV
Vitamin C (Calcium Ascorbate)	160 mg	267%
Calcium Threonate	5 mg	<1%
Vitamin D <sub>3</sub> (cholecalciferol)	1000 IU	250%
Vitamin B6 (pyridoxine HCl)	10 mg	500%
Folate	1 mg	250%
[as folic acid 700 mcg and Quatrefolic® ((6S)-5-methyltetrahydrofolic acid) 300 mcg, (equivalent to 600 mcg of (6S)-5-methyltetrahydrofolic acid, glucosamine salt)]**		
Vitamin B <sub>12</sub> (cyanocobalamin)	15 mcg	250%
Ferrouyl® Carbonyl Iron (Elemental Iron)	150 mg	833%
Magnesium (as Di-Magnesium Malate)*	15 mg	4%
Zinc (as TRAACS® Zinc glycinate chelate)*	25 mg	167%

\*\* Quatrefolic® is a registered trademark of Gnosis, SpA.  
U.S. Patent No. 7,947,662

**Other Ingredients:** Microcrystalline Cellulose, DiCalcium Phosphate, Croscarmellose Sodium, Acacia, Isopropyl Alcohol, Povidone K30, Purified Water, Magnesium Stearate, TriPotassium Citrate, Citric Acid, Fumed Silica, Hypromellose, Ethyl Cellulose, Titanium Dioxide, Polyethylene Glycol, FD&C Red #40 Lake, Talc, Polysorbate 80, Hydroxypropyl Cellulose, Black Iron Oxide and Vegetable Oil.

**INDICATIONS AND USAGE:** CORVITE®FE is a hematinic multivitamin/multimineral dietary supplement used to improve the nutritional status of patients with iron deficiency.

**CONTRAINDICATIONS:** CORVITE®FE is contraindicated in patients with a known hypersensitivity to any of the components of this product. Hemochromatosis and hemosiderosis are contraindications to iron therapy.

**WARNINGS:** Folic acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where vitamin B<sub>12</sub> is deficient.

**WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. KEEP THIS PRODUCT OUT OF REACH OF CHILDREN. In case of accidental overdose, call a doctor or poison control center immediately.**

### PRECAUTIONS

**General:** Do not exceed recommended dose. The type of anemia and the underlying cause or causes should be determined before starting

therapy with CORVITE®FE. Since the anemia may be a result of a systemic disturbance, such as recurrent blood loss, the underlying cause or causes should be corrected, if possible.

**Folic Acid:** Folic acid in doses above 1.0 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations remain progressive. Pernicious anemia should be excluded before using this product since folic acid may mask the symptoms of pernicious anemia.

**Pediatric Use:** Safety and effectiveness in pediatric population have not been established.

**Geriatric Use:** In general, dose selection in elderly population should be cautious.

**ADVERSE REACTIONS:** Adverse reactions with iron therapy may include constipation, diarrhea, nausea, vomiting, dark stools and abdominal pain. Adverse reactions with iron therapy are usually transient. Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

**OVERDOSAGE:** The clinical course of acute iron overdosage can be variable. Initial symptoms may include abdominal pain, nausea, vomiting, diarrhea, tarry stools, melena, hematemesis, hypotension, tachycardia, metabolic acidosis, hyperglycemia, dehydration, drowsiness, pallor, cyanosis, lassitude, seizures, shock and coma.

### DOSAGE AND ADMINISTRATION:

Usual adult dose is 1 tablet daily, or as directed by a physician.

### Rx ONLY

**DESCRIPTION:** Red, oval bisected tablets embossed "VP060".

**HOW SUPPLIED:** CORVITE®FE tablets are supplied in bottles of 30 units.

**Product Code: 68025-060-30**

**STORAGE:** Store at controlled room temperature 15°-30°C (59°-86°F) [see USP]. Protect from light and moisture and avoid excessive heat. Dispense in a tight, light resistant container as defined by the USP using a child-resistant closure.

**KEEP OUT OF THE REACH OF CHILDREN.**

**Call your doctor about side effects. You may report side effects by calling 1 - 877 - 95 - VERTI (1-877-958-3784).**

\*TRAACS® is a registered trademark of Albion Laboratories, Inc. Malates covered by U.S. Patent No. 6,706,904; Chelate Covered by U.S. Patent No. 7,838,042 and Patents Pending.
